His Excellency the Minister of Human Resources and Social Development, Eng. Ahmed bin Suleiman Al Rajhi, honors Bank Aljazira to sponsor the Youth Workers' Forum.

Projects and Achievements

Social Responsibility during 2021

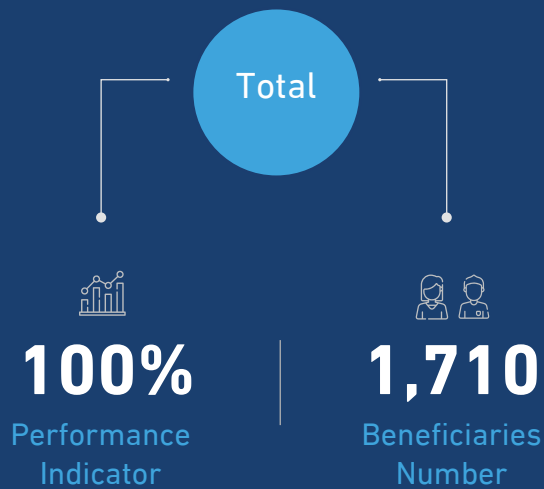

Good Loans

Good Loans are successful remedies for poverty reduction, moving from pastoral solutions to development solutions to the root of the problem. The Bank has therefore established a loan portfolio for this purpose, through which it signs a good loan agreement with charities and social development committees spread across the Kingdom's regions and governorates with the aim of lending to young people and girls and financing the capital of their small projects, paying them in comfortable instalments without any profits or interest.

In addition to entrepreneurial skills, innovation is an important basis for moving towards

towards the goals of Vision 2030. The Bank has sought to qualify and train youth and girls of the homeland to possess these skills through a qualitative program that serves as a business incubator for entrepreneurs and their innovative projects in various economic, industrial and technical fields under «innovators».
